2005 – 2006 Customer Proprietary Network Information Certification

I, Calvin Craib, President of MCC Telephony, Inc. ("MCC Telephony") have firsthand knowledge of the procedures that MCC Telephony has implemented to comply with the Federal Communications Commission's rules pertaining to safeguarding customer proprietary network information ("CPNI"). MCC Telephony formulated policies and procedures for safeguarding CPNI before we began offering service in June 2005 and this constitutes the first annual compliance certificate pursuant to 64.2009(e).

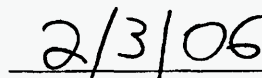

I certify that MCC Telephony has established procedures that are adequate to comply with the Commission's CPNI rules set forth in section 64.2001 et seq. I relied on Attachment A in making this certification.

Attachment A**

MCC Telephony, Inc. ("MCC Telephony") has established policies and procedures to comply with the Federal Communications Commission's ("FCC") rules pertaining to the use, disclosure, and access to customer proprietary network information ("CPNI") set forth in section 64.2001 et seq. MCC Telephony has trained its personnel in the appropriate use of CPNI.

In accordance with MCC Telephony's policy, MCC Telephony does not use CPNI for any marketing purpose other than to market services to customers within the same category of service to which they already subscribe. MCC Telephony may use CPNI as required to render services and to bill for such services. MCC Telephony does not share CPNI with affiliates or third parties for any marketing purpose whatsoever, but may disclose or permit access to CPNI for the purpose of providing the service from which the CPNI is derived or for services necessary to or used in the provision of such service.
